Bangladesh
Priority of Bangladesh

- Economic Development
- Food Security
- Adverse Impact of Climate Change & Natural Disasters (Flood, Salinity Intrusion, Drought, etc.)
Challenges for AFOLU

• We have policy/strategy about Climate Change Issues but there is not any policy for AFOLU Sector
• Interagency Coordination
• Awareness and Communication
• Lack of Quality Data
• Resources (Best available technology)
Key Actions & Strategies

• National Policy for AFOLU
• Interagency collaborative body
• Campaign up to root level
• Technical capacity building for Data Quality of Bangladesh Bureau of Statistics (BBS)
• Low cost best technology from private sector
Financing for AFOLU

- Grant (from Development partners)
- From Government
- Private Sector
- Bank Loan
Thank You
