

India Perspective

- National Action Plan on Climate Change
 - 8 Missions
 - 4 Missions relevant to AFOLU Sectors
 - 2 directly relevant – Mission on Sustainable Agriculture and Greening India Mission
- State Action Plan on Climate Change
- Ministry renamed

What actions are required to achieve success?

- Scaling up of activities
- Increased financial budgets for forest sector
- Monitoring and Evaluation of ongoing programmes and improvements over time
- Effective fund utilization
 - CAMPA (Compensatory Afforestation Fund Management and Planning Authority)

Key actions and strategies to be in place

- Effective implementation of policies
 - Getting multiple stakeholders on a common platform
 - Strengthening institutional arrangements and reorientation
- Green Accounting
- Effective Monitoring and Evaluation and scaling up
 - Afforestation/reforestation, Improved forest management
 - Scale up state level initiatives at the national level – Organic farming
- Simplification of procedures

How will these be financed?

- CAMPA
- CSR
- Int'l Donors

THANK YOU
