

# **STAKEHOLDER ENGAGEMENT NEEDS**

7 JULY 2015

# CRITICAL ASPECTS

- Common agenda/ understanding (15)
- Long-term mechanism/planning & early participation in all processes (13)
- Capacity (technical/procedural) (12)
- Effective communication (12)
- Effective and efficient participation (11)
- Stakeholder motivation
- Sustainable participation/long term engagement
- Trust
- Attitudes/Perspectives

# CONSTRAINTS

- Inadequate linkages between local and national interests
- Scaling up
- Inadequate capacity
- Exit or fade out strategy (long term planning)
- Diversified interest of stakeholders
- Policy
- Benefit sharing
- Poverty
- Awareness
- Expectations
- Organisational structure
- Attitudes

# SOLUTIONS

- Decision making and assessment tools
- Communication of case study and best practices
- Political will and buy in
- Capacity building
- Long term planning/institutionalisation

# SOLUTIONS/OPPORTUNITIES

- Restructure/streamline government dept/office
  - Work with local governments
- Access right people – improved coordination of WG.
- Transparency – policies, clear regulations, enforcement, effective communication
- Incentives- not necessarily monetary, realistic/communication, trust & relationship, consultation
- Livelihood improvement

**THANK YOU**

**QUESTIONS?**
